Building Consent Authority Accreditation Programme

Building work as described by the NCAS building catergorisation system:
- Residential 1 to Residential 3 (limited to new residential buildings only)
- Commercial 1 (limited to new residential buildings only with horizontal fire separation, and a maximum of two stories)

Under Regulations 4 – 18 of the Building (Accreditation of Building Consent Authorities) Regulations 2006 and within the categories described above:
- Processing of building consent applications to verify compliance with the NZ Building Code; and
- Issue of building consents, but not if a building consent is required to be subject to a waiver or modification of the building code; and
- Inspection of building work to verify construction in accordance with the consented plans (excluding remote inspections); and
- Issue of Notices to Fix; and
- Issue of Code Compliance Certificates in accordance with Section 95 of the Building Act;
